

# The impact of air pollution on the world of work for women and youth in East and Southeast Asia

## Regional multi-stakeholder policy workshop, 26 October 2022

This regional event will be the culmination of a [2-year regional project](#) focusing on the impact of air pollution on the world of work for women and youth in East and South East Asia. The project was funded by IDRC, with technical input from ILO.

The event will bring together a range of stakeholders including case study team members from the four focus countries (Thailand, Cambodia, Lao PDR and Vietnam), government officials, civil society representatives working on air pollution and labour rights, employers, and academia.

The event will be a **hybrid event** (online and in person).

**Location:** Novotel Sukhumvit 20, Bangkok, Thailand

**Zoom:** <https://sei-org.zoom.us/j/82923673511?pwd=MnZFR2NRblZUT20ydEJOMkZ5QmdDUT09>

Meeting ID: 829 2367 3511 Passcode: 566704
